The Nightwatchman: Union Town

Capo 4th fret (In the video it s on the 5th, but Tom keeps his guitar tuned down half a step)

Haven t sorted the solo out yet, maybe at some point I will though!

VERSE 1:

**E** **A** **E**  
Good memories last forever Said the dog on the tombstone  
**E** **A** **E**  
If you re living underneath the bridge, man all roads lead to home  
**B** **A**  
I got a hidden flask, I m paid in cash got a cross above my bed  
**E** **A** **E**  
You know I hitch-hiked from Chicago and a man walked up and said

CHORUS:

**E** **A** **E**  
This is a union town, a union town all down the line  
**E** **A** **E**  
This is a union town, a union town all down the line  
**B** **A**  
And if they ve come to strip our rights away we ll give them hell every time  
**E** **A** **E**  
This is a union town, a union town all down the line

VERSE 2:

**E** **A** **E**  
Today the policeman a union man, brother firefighter s my friend  
**E** **A** **E**  
And the kids locked in the Capitol are fighting til the end  
**B** **A**  
And we re not gonna break tonight and we re not gonna bend  
**E** **A** **E**  
Some say the union s down but I asked around and everybody said

CHORUS:

**E** **A** **E**  
This is a union town, a union town all down the line  
**E** **A** **E**  
This is a union town, a union town all down the line  
**B** **A**  
And if they ve come to strip our rights away we ll give them hell every time  
**E** **A** **E**

This is a union town, a union town all down the line

SOLO (Verse chords and timing)

VERSE 3:

**E** **A** **E**  
For every action, a reaction equal and opposite

**E** **A** **E**  
And that s why my friend the blood tastes good every time I m hit

**B** **A**  
I got a will to win and a cheshire grin yeah the nightwatch man is near

**E** **A** **E**  
And you can t get it where you re at but you can sure get it here

**E** **A** **E**  
So come rain or sleet or dark of night come wind or frigid snow

**E** **A** **E**  
There s a hundred thousand in the streets and that number s gonna grow

**B** **A**  
And when we put the governer on trial I ll be in the front row

**E** **A** **E**  
Just take a look around, we re a union town 1, 2, 3, 4 let s go!

CHORUS:

**E** **A** **E**  
This is a union town, a union town all down the line

**E** **A** **E**  
This is a union town, a union town all down the line

**B** **A**  
And if they ve come to strip our rights away we ll give them hell every time

**E** **A** **E**  
This is a union town, a union town all down the line

**B** **A** **E**  
Alllllll doooooown the line
