Promise

Here we are now in the backyard On the warm ground out at sundown

**E**

But in twelve days I ll be halfway

**E**

Cross the world, I m too tired to be afraid

Aadd4

You ve got green eyes, I had foresight

**E**

When I said we d be good I was so right

Aadd4

If we lay here, spend every day here

**F#m** Aadd4

Well our legs might take root and we ll grow dear

**E**

Aadd4

I made a promise to

**E**

I made a promise to

**E**

I made a promise to you

**F#m C#m A**

(Break)

**E Aadd4**

I d protect you if I had to

**E**

So the bad parts never get through

**Aadd4**

From the outside into your life

**E**

We can try but we might have some hard nights

**Aadd4**

Now we can t speak neath the pine trees

**E**

And I swear that there s air but I can t breathe

**Aadd4**

I need your heat, I ve got cold feet

**F#m Aadd4**

It s the thought that still makes this so easy

**E Aadd4**

I made a promise to

**E**

I made a promise to

**E**

I made a promise to you

**F#m C#m A**

That we d still feel brand new

**E**

**C#m7 Bsus4 E**

Why she does hell I cannot say

**C#m7**                    **Bsus4**                    **E**  
I can t seem to stay in one place  
**C#m7**                    **Bsus4**                    **Aadd4**  
Always gone and I m far away  
**C#m7**                    **Bsus4**                    **Aadd4**  
from the smile on her face  
**C#m7**                    **Bsus4**                    **E**

(Repeats throughout last section)

**E**    **Aadd4**    **Bsus4**    **C#m7**  
**Bsus4**    **E** (x6)

Was it something that I couldn t say?  
Fast enough to get away  
And though I tried to make a clean escape  
You left me with an even break

And i think I saw myself in you  
But I think you saw a proper fool  
And I know we broke every rule  
With everything we didn t do

I ll remember every day  
If you remember every dumb mistake  
That you made cause you were late  
But its my fault I made you wait

In this city I cant speak  
Well you know this place is killing me  
And it s harder to believe  
But it s hard enough to watch you leave
