Was it something I said?

Now my hands are both tied

G

Csus2

But my arms are open wide

G

And the demon by my side

G

Might be possible to lose

Every ounce of what we knew

G **Csus2**
Till we re both drained of the truth

Tread my feet in the road
Watch them worked down to bone
And the blanket is cold
And i am more than alone

Oh

Every hour you spent

Made it easy when, when it was time
 Bm#5 F#/G G **Bm#5 Csus2**
To move ahead

Oh

New machines, beauty queens
Csus2 G **Em7 G**
Send my heart, out to see
Csus2 G Em7 Csus2
When you left, with no pretense
