**C G C**  
This world is falling down around me  
**C G C**  
I can t tell my friends from these  
**F G F G**  
You might think it strange or you might find it funny  
**F G C**  
But I can t see you at all

**C G C**  
Your life is blowing up before me  
**C G C**  
Laughing though you are I can see  
**F G F G**  
You might think it strange or you might find it funny  
**F G C**  
But I can t see you at all,

When Atlas shrugs, his smile you will see  
**C G C**  
Laughing though you are, you will see  
**F G F G**  
You might think it strange or you might find it funny  
**F G**  
But I can t see you at  
**F G**  
I can t see you at  
**F G**  
I can t see you..  
**F G**  
I can t see you..  
**F G**  
I can t see you..  
**F G C**  
Oh, I can't see you at all
