

**Dammit I Changed Again Intro**  
**The Offspring**

Yo all, get this, i have found a really easy way of playing the intro,  
this part is also the part after the chorus.  
ie.

ONE MORE TIME , DAMMIT I CHANGED AGAIN(then this riff)

```
E-----  
B-----  
G-----  
D-----1-0-1-----1-0-1-----1-0-1---3-1-0-1---  
A---3-----1-----3-----3-  
E-----
```

thats it, as simple as that.

OH, i have also found out the simple ways of playing muse-newborn, the whole  
song.
