Back and forth the leaders sway, backing it up with guns.

Superpowers flex their wings, hold the world on puppet strings

Egos will feed while citizens bleed, That s always the way it goes.

CHORUS

D5 **C5** **D5** **F5** **C5** **D5** **Bb5** **C5** **F5** **C5** **D5**
When will the world listen to reason? I ve a feeling it ll be a long time.

Bridge

Bear with me here...

D5 **C5**
Well if they tried
 G5 **D5**
Maybe they d see
 D5 **C5** **G5** **D5**
It d do a little good to let the world be free

D5 **C5**
Handshake and a smile
 G5 **D5**

Gets you on through
 C5 **G5** **D5**
Then turn it all around with a suicide move
C5 (PM Now) **G5** **D5**
But you know it s not fooling anyone but me
 C5 **G5** **D5** The stop pm and repeat faster
You gotta make yourself see what you want to see
