

Kristy Are Doing Okay
The Offspring

INTRO

B, E, F# 2X

VERSE 1

B **Bb**
Thereâ€™s a moment in time
G# **F#**
And itâ€™s stuck in my mind
E **F#**
Way back, when we were just kids
B **Bb**
Cause your eyes told the tale
G# **F#**
Of an act of betrayal
E **F#**
I knew that somebody did
E **F#**
Oh, waves of time
B **Bb**
Seem to wash away
G# **F#**
The scenes of our crimes
E **F#**
But for you this never ends

CHORUS

B
Can you stay strong?
G#
Can you go on?
C# **E F#**
Kristy are you doing okay?
B
A rose that wonâ€™t bloom
G#
Winterâ€™s kept you
C#
Donâ€™t waste your whole life trying
E **F#**
To get back what was taken away

REPEAT INTRO

B, E, F# 2X

B **Bb**

Though the marks on your dress

G# **F#**

Had been neatly repressed

E **F#**

I knew that something was wrong

B **Bb**

And I should have spoke out

G# **F#**

And Iâ€™m so sorry now

E

I didnâ€™t know

F#

Cause we were so young

E **F#**

Oh, clouds of time

B

Seem to rain on

Bb **G#** **F#**

Innocence left behind

E **F#**

And it never goes away
