

Kristy Are Doing Okay
The Offspring

INTRO

D,G,A 2X

VERSE 1

D **C#**
Thereâ€™s a moment in time
B **A**
And itâ€™s stuck in my mind
G **A**
Way back, when we were just kids
D **C#**
Cause your eyes told the tale
B **A**
Of an act of betrayal
G **A**
I knew that somebody did
G **A**
Oh, waves of time
D **C#**
Seem to wash away
B **A**
The scenes of our crimes
G **A**
But for you this never ends

CHORUS

D
Can you stay strong?
B
Can you go on?
E **G A**
Kristy are you doing okay?
D
A rose that wonâ€™t bloom
B
Winterâ€™s kept you
E
Donâ€™t waste your whole life trying
G **A**
To get back what was taken away

REPEAT INTRO

D,G,A 2X

D **C#**

Though the marks on your dress

B **A**

Had been neatly repressed

G **A**

I knew that something was wrong

D **C#**

And I should have spoke out

B **A**

And Iâ€™m so sorry now

G

I didnâ€™t know

A

Cause we were so young

G **A**

Oh, clouds of time

D

Seem to rain on

C# **B** **A**

Innocence left behind

G **A**

And it never goes away
