[Intro]

**C F G** (2x)

[Verse]

**C**                  **C/B**  
there s a moment in time  
                  **Am**                  **G**          **F**  
and it s stuck in my mind  
(**F**)                  **G**  
way back when we were just kids  
                  **C**                  **C/B**  
cuz your eyes told the tale  
                  **Am**          **G**                  **F**  
of an act of betrayal  
(**F**)                  **G**  
i knew that somebody did  
**F**                  **G**  
oh waves of time  
                  **C**          **C/B**          **Am**                  **G**  
seem to wash away the scenes of our crimes  
          **F**                  **G**  
for you this never ends

[Chorus]

**C**  
can you stay strong  
                  **Am**  
can you go on  
**Dm**                                  **F**  **G**  
Kristy are you doing okay  
                  **C**  
a rose that won t bloom  
                  **Am**  
winters kept you  
                  **Dm**                                  **F**                                  **G**  
don t waste your whole life trying to get back what was taken away  
  
**C F G**

[Verse]

                  C                  C/B                  Am          G          F  
though the marks on your dress have been neatly repressed  
(F)                                  G  
i knew that something was wrong  
          C                  C/B  
and i shoulda spoke out  
          Am          G  
and i m so sorry now  
          F                                  G  
i didn t know cuz we were so young  
F                  G                  C          C/B  Am          G  
oh clouds of time seem to rain on innocence left behind  
          F          G  
and never goes away

[Chorus]

          C  
can you stay strong  
          Am  
can you go on  
Dm                                  F  G  
Kristy are you doing okay  
          C  
a rose that won t bloom  
          Am  
winters kept you  
          Dm                                  F                  G  
don t waste your whole life trying to get back what was taken away

[Instrumental]
