Lyrics: Leave it behind
Rage burns can t push it aside now
Can t forgive this grudge is alive now
All the rage eats you up inside
Can you leave it behind
What a surprise --
You re fucked with again Yeah
It s a way of life you need to get over
All the rage just eats you alive
Can you leave it behind
I don t know where it ll end
The sun has set
And I can t be friends
I don t know if I can forgive
The day is long
But you were so dead wrong

Beleza, essa música é muito loca, ofereço essa pro Kaueka, ele ama
Offspring!!
