Verso 1:

Somewhere the time was right,
Could have been gone in ten
This world is hard to fight, hitting
You once, hit it again
To know the way it feels, everyone

Gets knocked down
 When you get up it's real, by taking
 It back, turn it around

```

Refrão:

Get on it, up on it
 Get on it - Wouldn't Wanna be you
 Get on it, out on it
 Get on it - No one's gonna free you
 You know, when you're keeping it slow
 No matter where you wanna go - Wouldn't wanna be you
 Get on it, up on it
 It's on - we're living in chaos

(You know, when you're [...] we're living in chaos)

Verso 2:

Somewhere along the line,
Things get chipped away
This place keeps going down,
Gets a little worse every day
I see hate and greed, this world's a
Messed up town
Embrace the pain and see, by taking
It back, you turn it around
