

Million Miles Away  
The Offspring

Intro: { (F# A E)2x F# A B D E }2x

F# A  
There was a time, looking through myself  
E F#  
Wanting to pretend  
A  
If I escaped, I could fill myself  
E F#  
I don t think you can  
A  
Been far and wide  
E  
But that hole inside  
F#  
Never really leaves  
A  
When I went away, what I really left  
E (B C# D C# E)  
Left behind was me  
E  
It s telling me  
(B C# D C# E) E  
To be on my way home

F# A E  
ooo,ooo Million miles away  
F# A E  
ooo,ooo Million miles away  
F# A B  
I can t stay I can t stay  
D E F#  
ooo,ooo Million miles away

(F# A E)

F# A  
Each passing day, every passing face  
E F#  
Seems like such a blur  
A  
I long to be  
Home, silently  
E F#  
Lying next to her

**A**

Just to get back, by her side is all

**E** **F#**

All I need to be

Cause I went away

**A**

But what I really left
