Intro:  
C-Asus4-Em-Em-Em-Em (x3)

Verse:

**D**                    **C**                    **G**  
Look at you soldier boy now

**Bb A**                    **D**                    **C G Bb A**  
With that big gun in your little hand

**D**                    **C**                    **G**  
As you patrol this foreign land

**Bb A**                    **D**                    **C G Bb A**  
Hear the mine that clicks beneath your feet

Chorus:

**D**                    **C**  
Now do you see the light

**G**                    **Bb A**  
Fading while your world is crumbling

**D**                    **C**  
Out on patrol

**G**                    **Bb**                    **A**  
And all you can do is sit and stare

**D**                    **C**                    **G**  
What revelation have you now

**Bb A**                    **D**                    **C**  
What culmination to your speck of life

**G**                    **Bb A**  
Your moment in time

C-Asus4-Em (x3)

Verse:

**D**            **C**            **G**  
As you sit here all alone

**Bb A**                    **D**                    **C G Bb A**  
Will your buddies come and save your life

**D**            **C**            **G**  
But as the enemy appears

**Bb A**                    **D**                    **C G Bb A**  
See your life flash before your eyes
