Artist: The Offspring
Album: Days Go By
Tabbed By: shardshooter

Intro:

{I m not sure about that, but if you want, you may play it with **Bm D A** , and I think, that it s better to skip it}

Verse 1:

Bm **D**
Feel the way it grows when the words have left the mark
A
With the promise of tomorrow,
E
That tricks and leaves you in the dark
Bm
There s something in the air,
D
And there s something rising up
A
Not one but a million
F#
That have had enough

Chorus:

Bm
Hey, no, now
D
I m not good at going away
A
I got something more to say
E
Kick it, screaming, It knocks you down, it knocks you down
Bm
Hey yo, go,
D
Underneath I ll tear you down
A
Secrets from the underground,
E
Anger starts so far

Verse 2:

Bm

This is not an anthem,

D

Or a threat in someone's name

A

But a promise that tomorrow

E

Will rock and burn, if things don't change

Bm

There's something in the air,

D

And there's something rising up

A

Not one but a million

F#

That have had enough!
