The Offspring

THE OFFSPRING- STARING AT THE SUN
ALBUM: AMERICANA (1998) TRACK NO. 3
STANDARD TUNING

Have a bit of distortion for this song, and play all the chords as either powerchords or barre chords to give it that punk-rock sound.

Intro- D (Palm muted)

C **A** **G**

Maybe life is like a ride on a freeway,

C **A** **G**
dodge the bullets while you re trying to find your way,

C **A** **G**

everyone s around but no-one does a damn thing,

A it brings me down, but **D** I won't let them.

If I seem bleak, well you d be correct,
and if I don t speak, it s cos I can t disconnect,
but I won t be, burned by the reflection,
of the fire in your eyes,

D G A
as your e staring at the sun, woah,

D as your e staring at the sun, **G** **A** woah,

D as your e staring at the sun, **G** **A** woah,

D as your e staring at the sun **G** **A**

G **D** **A**

as your e staring at the sun.

Right well that s it, have fun with this great but easy song. Any questions/comments email to the_legend_kurt@hotmail.com
