Intro:

**Bm D A E** x2

Verse 1:

**Bm**

The city s made of diamonds

**D**

And tomorrow glass will grow

**A**

All the freedoms that divide us

**E**

They re coming after me

**Bm**

Flashback 1984

**D**

Now who s knock, knocking at your door

**A**

A thought that starts a riot

**E**

They re coming after me

Bridge 1:

**G**

**A**

Now, life is not the same

**G**

**F#**

I am one, but sparks turn into flames

Chorus 1:

**Bm**

Will you take what s in my head

**D**

And erase me when I m dead

**G**

Cause the future is now

**F#**

Now I m disappearing

**Bm**

The day has turned to night

**D**

Can you save me from the light?

**G**

Cause the future is here

**F#**

**Bm**

This is how I disappear

Verse 2:

**Bm**

Running down a spiral

**D**

With the light of better men

**A**

Shouting progress is survival

**E**

Take one last look and see me

**Bm**

Now you see me, now you don't

**D**

No valid break, no string of hope

**A**

My hero your pariah

**E**

They're coming after me

Bridge 2:

**G**

**A**

Now life is just God's game

**G**

**F#**

I am one, but sparks turn into flames

Chorus 2:

**Bm**

And you get what you deserve

**D**

When revenge is what you serve

**G**

Cause the future is now

**F#**

Now I'm disappearing

**Bm**

I sink into the night

**D**

And I'm turning off the lights

**G**

Cause the future is here

**F#**

**G**

This is how I disappear

Bridge 3:

**G** **A**  
So the end s when you make that  
**Bm** **G**  
And that s what your looking for

**G** **A**  
This is the future  
**Bm**  
Future is now

**Bm D A E**

**Bm**  
Disappear  
**D**  
Disappear  
**G**  
I disappear  
**F#**  
Disappear

**G**  
Now turn off the lights  
**A**  
The skys are blue inside you  
**G**  
Turn off the lights  
**F#**  
They ll get inside of you

Chorus 3:

**Bm**  
Will you take whats in my head  
**D**  
And erase me when I m dead  
**G**  
Cause the future is now  
**F#**  
Now I m disappearing  
**Bm**  
The day has turned to night  
**D**  
Can you save me from the light?
