Melody:

```
| B E F# | G F# G A B A G F# | F# G E |  
| B E F# | G F# G A B A D C | B B B |
```

```
      Em              B7              D      A7  
When it should learn to speak before it melts away  
      Em              D              G      B (or B7)  
It would express that each have words no one else will say
```

```
G      B (or B7)      Em  
I have been floated to this thought this hour
```

```
A  
On a series of events
```

```
D7 Edim7      B  
I cannot explain
```

```
G      B      Em  
Gather your wit, your will, your luck, your power
```

```
A  
What it would effect
```

```
D7 Edim7      B  
That will not remain
```

A light shines through a little hole the hole s inside somewhere  
The spiracle s obedience it is true, I swear

Chorus

If one claims to know the way let fashion be his bride  
And more akin to welcome in to being forced inside

Chorus
