

The Gravity Car
The Olivia Tremor Control

Simple song, chords repeat for its entirety. If you want, you can capo the 1st fret and play F G Am F, but i find that it sounds better barred.

Bass bit:

```

E|--202--424--646--02-----|
```

F# **G#** **A#m** **F#**
I peeked inside of your gravity car
F# **G#** **A#m** **F#**
Woke up five farmers found in a barnyard
F# **G#** **A#m** **F#**
I saw the distance between us had fell
F# **G#** **A#m** **F#**
For once in my life I believe what I m saying

F# **G#** **A#m** **F#**
I peeked inside of your gravity car
F# **G#**
Through open fields
A#m **F#**
Past the graveyard
F# **G#** **A#m** **F#**
I guess I m wrong when I say we won t get far
F# **G#** **A#m** **F#**
