This is an edited verison of Hollys =]  
missing chords was F#m

Chords

**A** --222-|  
**F#m** 244222|  
**E** -221--|  
**D** ---232|

**A**  
I m not gonna patronize ya,  
**F#m**  
by trying to write down why I like ya.  
**E**  
It doesn t make it any better,  
**D**  
to just steal kind words off Phil Spector.

**A**  
And I know all these tired cliches,  
**F#m**  
but I don t know which cliché to say.  
**E**  
Cause cliches don t have any impact,  
**D**  
so I guess I will be matter of fact.  
**E**  
Cause it s so good to know ya  
**D**  
that I just don t know how to show ya

Chorus

**A**  
I luv you,  
**D** **E**  
you know that, don t you?  
**A** **D** **E**  
I luv you?

**A**  
I m so sorry that I m losing,

**F#m**

where other boys would leave you swooning

**E**

When I finally get my words together,

**D**

I choke and they are gone forever.

**A**

Words are words and they mean nothing,

**F#m**

Surely I luv you counts for something.

**E**

So let s be hasty, let s be wreckless,

**D**

Cause being with you leaves me breathless.

**E**

Cause it s so good to know ya

**D**

that I just don t know how to show ya

Chorus

**A**

**D**

**E**

Instrumental of verse with whistling

and back into chorus

Dave ;)
