F#m 244222|
E -221--|
D ---232|

A
I m not gonna patronize ya,
F#m
by trying to write down why I like ya.
E
It doesn t make it any better,
D
to just steal kind words off Phil Spector.

A
And I know all these tired cliches,
F#m
but I don t know which cliché to say.
E
Cause cliches don t have any impact,
D
so I guess I will be matter of fact.
E
Cause it s so good to know ya
D
that I just don t know how to show ya

Chorus

A
I luv you,
D **E**
you know that, don t you?
A **D** **E**
I luv you?

A
I m so sorry that I m losing,

F#m

where other boys would leave you swooning

E

When I finally get my words together,

D

I choke and they are gone forever.

A

Words are words and they mean nothing,

F#m

Surely I luv you counts for something.

E

So let s be hasty, let s be wreckless,

D

Cause being with you leaves me breathless.

E

Cause it s so good to know ya

D

that I just don t know how to show ya

Chorus

A D E

Instrumental of verse with whistling

and back into chorus

Dave ;)
