

Superstar
The Overtones

Intro:

Two, three, four **A**

Verse

A
You got hips like Harlow
Curves like Monroe

G **D**
You don't see it, you don't believe it

A
I try to tell you, you got it all going on

G
But you think I m crazy

D **E**
Look into the mirror and you ll see

D **E**
Baby you can be yourself

D
Stop wishing you were someone else

A
You should know

F#m **D**
That I don't have to see your name all up in lights

A **D**
I don't care, cause you shine so bright to meeeee

A
And I wouldn't change a thing at all

F#m **D**
You to me are beautiful

A
And I love

D
Yeah I love you as you areee

A
You're my Superstar!
You are, you are, you are, you are

verse 2

A
All your heroes
Are all size zero

G

That life in a magazine

D

It ain't what it seems

A

I try to tell you, you light me up

G

The second you walked in the room

D

E

But you don't think you do

D

E

Baby you can be yourself

D

Stop wishing you were someone else

A

You should know

F#m

D

That I don't have to see your name all up in lights

A

D

I don't care, cause you shine so bright to meeeee

A

And I wouldn't change a thing at all

F#m

D

You to me are beautiful

A

And I love

D

Yeah I love you as you areee

A

You're my Superstar!

You are, you are, you are, you are

Bridge

F#m

A

Most things in life don't come for free

G

There is always a price you got to pay

D

F#m

So baby don't give your heart away

Your life is gold

A

Why don't you believe it

G

I love you just the way you are

D

You're my Superstar!

A

You should know

F#m

D

That I don't have to see your name all up in lights

A

D

I don't care, cause you shine so bright to meeeee

A

And I wouldn't change a thing at all

F#m

D

You to me are beautiful

A

And I love

D

Yeah I love you as you areee

A

And I wouldn't change a thing at all

F#m

D

You to me are beautiful

A

And I love

D

Yeah I love you as you areee

A

You're my Superstar!
