

Making Gestures

The Pack A.D.

This is a cool song, not really hard to play once you get the timing and the changes down, so listen to the song for the first few times to get it right, and you should have no real problems with it..

Artist : The Pack A.D

Verse 2..(chords are the same as verse 1)

The children on the playground are laughing
cause everything around them is so brand new
Yeah it s so brand new, so brand new
Now they re passing notes in the classroom about their feelings
Now they re passing notes but their teacher knows

There are animals in my head, in my head
There are objects falling from the sky
And it s not snow, no it s not snow, oh it s not snow

Repeat the interlude again here

Bridge section

C ..(let ring)
All these people they got their minds made up but
G..C..G
nobody s ever gonna take em
C ..(let ring)
All these people they got their heads right up but
G..C..G
nobody s ever gonna forsake em
C ..(let ring)
All these people they got their notions real tough but
F..C
nobody s ever gonna deceive em
C **G...**
And death will be the only thing to break em

Verse 3..(chords are the same as verse 1 & 2)

I m making gestures and implicating and counter-acting
And everyone knows and understanding as if I
actually make sense, actually make sense
Now it s just me and you, everything is perfect,
I should strike up a conversation
But I m too afraid

Now it s just me and you, everything is perfect,
I should say something or make a move
But I m too afraid No, I m too afraid, Oh, I m too afraid

Repeat the interlude to finish

thats it, hope you liked it...rate and comment it please..:)
