**D**

what to do  
nothing new  
we tried each other

**B5**            **A**

let s try another

**D**

when you came  
through the door  
I felt everything

**B5**                      **A**

and nothing that I had before

**D**

tell yourself  
it s not yourself  
but no one else

**B5**                              **A**

can make me know there s no one else

**D**

when you came  
through the door  
I was sure

**B5**                      **A**

you never even felt the floor

**D**            **A B5**

I know

**A**  
it is wrong  
**G** **D**  
but we just don t belong  
**A B5**  
in your eyes  
**A**  
in the sun  
**G** **D**  
no we just don t belong

**D**  
change your mind  
and stop the time  
that comes between us  
**B5** **A**  
that bends beneath us

**D**  
if you re mine  
I don t mind  
we tried another  
**B5** **A**  
let s try each other

**D** **A Bm**  
I know  
**A**  
it is wrong  
**G** **D**  
but we just don t belong  
**A Bm**  
in your eyes  
**A**  
in the sun  
**G** **A** **G**  
no we just don t belong

**G** **D**  
in hospitals  
**Bm**  
in shopping malls  
**A**  
with heavy heads  
**G**  
and locker walls  
**D**  
an empty street

**Bm**

at three a.m.

**A**

**G**

you told me you re not one of them

**D**

we took a vow

**Bm**

to never sleep

**A**

**G**

while there was still air left to breathe

**D**

And you re the same

**Bm**

so slightly strange

**A**

among the fakes you knew the pains

**D**

**D A Bm**

I know

**A**

it is wrong

**G**

**D**

but we just don t belong

**A Bm**

in your eyes

**A**

in the sun

**G**

**D**

no we just don t belong

**D A Bm**

I know

**A**

it is wrong

**G**

**D**

but we just don t belong

**A Bm**

in your eyes

**A**

in the sun

**G**

**D**

no we just don t belong

(chord progression stays the same)

we just don t belong

we just don t belong

we just don t belong

don t belong  
don t belong  
we just don t belong  
don t belong  
don t belong  
we just don t belong  
don t belong  
don t belong  
we just don t belong
