I can't stand to see your picture,
D **G F#m Em**
On the dresser where I left you,

Another sunny day,
G F#m Em
And you're 80 miles away,
D G F#m Em
Tuesday.

A Em
But come Saturday,
G
You'll come to stay,
D A
You'll come to sway in my arms,
Em G
Who cares if there's a party somewhere?
D A
We're gonna stay in.

Em G D A
Come Saturday, you'll come to say, maybe there's no harm,
Em G A D
In a wasted summer, with no drummer, we're gonna stay in.

Just repeat it for all the verses and choruses, and that's it!
