**F** **Dm7**  
Half of this city turning their lights on  
**Bbsus2** **Gm7**  
Like half of this city has an idea

Cars slowly passing right down on main street

Don t keep on driving, let me say something

[Chorus]

**Bbsus2** **Gm7**  
There s nothing wrong with a littlespace  
**F** **Dm7**  
But not right now, don t leave  
**Bbsus2** **Csus2**  
There s nothing wrong with a little time  
**Bbsus2** **Csus2**  
But for the memories, for the good things  
Don t leave

[Instrumental]

**F Dm7 Bbsus2 Gm7**

The stars in the night sky, the distance between them

But the distance between us is half of this city  
**Bbsus2** **Gm7**  
Don t keep on driving, let me say something

**Bbsus2** **Gm7**  
There s nothing wrong with a little space
