

Featherstone
The Paper Kites

[Verse]

E Dbm B E
Wake up to the sound of your fleeting heart
E B A E
Wake up to the sound of your fleeting heart
A Dbm B E
When you go, what you leave is a work of art
B E
On my chest, on my heart
She went out to the hay in the morning grace
She went out and got lost in a tall hedge maze
Where d you go? Where d you go? Why d you leave this place?
On my heart, on my face

[Chorus]

A Dbm B E
And my love is yours but your love s not mine
A Dbm B E
So I ll go but we know I ll see you down the line
A Dbm B E
And we ll hate what we ve lost but we ll love what we find
A Dbm B E
And oh I m feeling fine, we ve made it to the coastline

[Bridge]

E A Dbm B
Ooh, ooh, ooh ooh ooh ooh
E A Dbm B
Ooh, ooh, ooh ooh ooh ooh

Past all the signs of the slow decline
Live like your love wasn t meant for mine
Now you ve gone, now you ve gone to a different life
Til the loneliest side

E Dbm B E
Wake up to the sound of your fleeting heart
E B A E
Wake up to the sound of your fleeting heart
A Dbm B E
When you go, what you leave is a work of art

And my love is yours but your love s not mine
