Just started listening to the paper kites the other day and love em! I couldn't find the lyrics or chords to this song anywhere or even the song itself! So for those of you who have the EP or w/e here we are! :) I wrote down the lyrics and chords for it! So do enjoy! :D

Tuning: EADGBE

Chords Used

A	D	E
7	7	9
7	9	11
8	9	11
9	9	11
9	7	9

Chords sound best playing upstroke with a partial palm mute! Other than that listen to the song for the chord rhythm!
