

What, oh what are we to do?

Should we fight back?

Or should we just swallow our pride?

We won't use violence, we'll try not to break too many hearts

We're idealistic but we're also afraid

Should we fight back?

Or should we just swallow our ...

Bridge: (I suggest you play all of these as barre chords)

**C**                    **E**                                    **F** [high]                    **G#** [high]

Pride in who we are and this battle will be won

**C**                                    **E**    **F** [high]                    **G** [high]

In dreams we're invincible, we taste victory in our tongues

**F** [high]                                    **E**    **G** [high]

The messiah from the Transkei, born to inspire

Should we fight back?

Or should we just swallow our pride?

We won't use violence, we'll try not to break too many hearts

We're idealistic but we're also afraid

Should we fight back?

Or should we just swallow our pride?
