Everything
The Perfect Measure

I tabbed this by ear, I doubt it s 100% correct, but I thought it sounded ok...
and it s
first tab ever so if it s not good then that s why :P at least i tried.)

*Note: Hold palm on strings near sound hole and strum
for mute effect* (You can add the mute effect into the song if you want, but i
leave it
when i m playing...)

Intro (RHYTHM: v ^ v . v . vv)

Cadd9 (Listen to song for rhythm)

(Same rhythm)
As he looked into her eyes
And he lost his breathe
And his heart stopped beating
Inside of his chest
And he realized just who he was
And what he wanted

(RHYTHM: v v v v v v...)
(**D**)   (**A**)
Baby, please, won t you tell me everything?
            (**Em**)   (Open)
I just have to know, I just have to know you

(**Cadd9**) Just Guitar... (2x)

(**Cadd9**)
(RHYTHM: v ^ v . v . vv)
She fell asleep on the car ride home

She was just 17 with no where to go
(RHYTHM: V.V.V.V.V.V...)
(**D**)
And she didn t know who she was
(**A**)
Or what she wanted

```
(D)                                  (A)
Baby, please, won t you tell me everything?
            (Em)                (Open)
I just have to know, I just have to know you
-----------------------------------------
(Guitar Solo...)
(D) ... (A) ... (Em) ... (Open)

----------------------------------------------
(*Single Slow Strum Till 4th Time Around*)
(D)               (A)
I could show you everything
(A)               (Em)
I could show you everything
(Em)             (Open)
I could show you everything
(D)                 (A)
I could show you everything
(RHYTHM: V.V.V.V.V...)
(Em)       (D)       (A)
I could show you everything
(A)
Yeahhh

(D)                                         (A)
So, c mon Baby, please, won t you tell me everything?
            (Em)                (Open)
I just have to know, I just have to know you

(D)                                         (A)
So, c mon Baby, please, won t you tell me everything?
            (Em)                (Open)
I just have to know, I just have to know you...
