

**My Own**  
**The Perishers**

Intro:

| **Em** | **C** | **G** | **G/F#** :||

Verse 1:

**Em**                    **C**                    **G**                    **G/F#**  
Are you trying make me sad?  
Or to keep me on my toes  
Not the best you ve ever had  
But you say I m pretty close

Chorus:

**Em**                    **C**                    **G**  
Moonlight or sunshine,  
**Em**                    **C**                    **G**  
Morning or night time  
**Em**                    **C**                    **D**  
I choose to be alone  
      **Em D C**  
To be my own

Verse 2:

Are you trying make me sad?  
Jealousy s a powerful fall  
You re the best I ve ever had  
But you re not mine , and I m not yours

Chorus:

Moonlight or sunshine,  
Morning or night time  
I choose to be alone  
To be my own

Bridge:

**G**                    **D**                    **C**                    **C**  
The birds all sing in blue  
      **G**                                    **Cadd9**  
Now that summer that is over  
**G**                                    **D**                    **C**                    **C**  
Move souther and so will you  
      **C**                                    **G**                    **D**  
You did wrong but you made it seem

Outtro:

**Em**                    **C**                    **G**                    **G/F#**  
Right
