

Nothing Like You And I
The Perishers

A **Bm**
We spent some time
F#m

together walking

A **Bm**
Spent some time just talking

F#m **A**
about who we were

A **Bm**
You held my hand so
F#m

very tightly

A
And told me what we

Bm **F#m**
could be dreaming of

A **Bm**
There s nothing like you and I

D **A**
nothing like you and I

A **Bm**
There s nothing like you and I

We spent some time
together drinking
Spent some time just thinking
about days of joy
As our hearts started
beating faster
I recalled your laughter
from long ago

A **Bm**
There s nothing like you and I

D **A**
nothing like you and I

A **Bm**
There s nothing like you and I

We spent some time
together crying
Spent some time just trying
to let each other go
I held your hand so
very tightly

And told you what I would be
dreaming of

A **Bm**
There s nothing like you and I

D **A**
nothing like you and I

A **Bm**
There s nothing like you and I
