

**Nest Egg**

**The Phoenix Foundation**

Beautiful song, but the guitar part is really easy.

Simply **D**, **F#m**, **G**, **D** repeated throughout the song.

**D**

Our nest egg may be rotten

**F#m**

And all our dreams forgotten

**G**

But I am not down-trodden

**D**

I m a floatin

**D**

And you might say I m a driftin

**F#m**

Just a sifter out siftin

**G**

But the point is listenin

**D**

On the way

**D**

And now my bow is a listin

**F#m**

Thereâ€™s no oil in my piston

**G**

And the shot I fire is missin

**D**

The mark

[Bridge] same **D**, **F#**, **G**, **D** pattern

**D**

It s a lie

**F#m**

It s a lie

**G**

It s a lie that you gotta be the big man

**D**

The big man in this world

**D**

It s a lie

**F#m**

Oh it s a lie

**G**

It s a lie that you gotta be the big man

**D**

The big man in this world

**D**

And now our nest egg s rotten

**F#m**

But our love is not forgotten

**G**

And I am not a down-trodden

**D**

I m a floatin
