Bm
Well, I ve been lying here

E

All alone

Bm

Wondering if you are

E

Ever coming home

Bm

I left on the light

E

By the bed

G

A

In case, you were to call

G

What is wrong with me?

A

Bm

I said, to myself

Bm

I never really thought

E

It would last

Bm

And here I am now

E

Fading fast

G **A**

But I will not sleep tonight

G **A** **E**

No, I could not sleep tonight

G **A**

Where would you go?

G **A**

What would you do?

E

If it wasn't me, it was you

G **A**

Where would you go?

G **A**

And what would you do?

G **A**

If it wasn't me, it was you

G **A** **Bm**

If it wasn't me, it was you

Bm

If only you could feel

E

My heart race

Bm

And see the light

E

On my face

G **A**

Then you would know the truth

G **A** **Bm**

And I would know the truth

Bm

Then maybe you don't like

E

What I brought

Bm

Well maybe I am not

E

What you thought

G

But don't worry

A

You are not

G

E

What I thought you were

â€|either

G

A

Where would you go?

G

A

What would you do?

G

E

If it wasn t me, it was you

G

A

Where would you go?

G

A

And what would you do?

G

A

If it wasn t me, it was you

G

A

E

If it wasn t me, it was you

E

No matter how hard it gets

E

Bm

No matter how thick your head is

E

There s always something

E

More to learn

Bm

Even if you just want to quit

G

A

Where would you go?

G

A

And what would you do?

E

If it wasn t me, it was you

G

A

Where would you go?

G

A

And what would you do?

G

A

Where would you go?

G

A

And what would you do?

G

A

Where would you go?

G

A

And what would you do?

G **A**
Where would you go?

G **A**
And what would you do?

G **A**
If it wasn't me, it was you (x2)

G **A** **E**
If it wasn't me, and it was you
