The Pierces

Louisa " The Pierces

note: This is my first song that I've tabbed with only a studio recording, so it might be a little off. If you find anything wrong with it, please let me know. And before rating it down, please comment on what you think is wrong. If you don't know exactly what makes it sound off to you, please try to at least say where it sounds off so I can try to improve it. Thank you!

Capo 3

Cadd9 G

Cadd9 **G**
I heard about it last week;
Dsus4 **Cadd9**
That you were thinking about leaving me.
Cadd9 **G**
Oh, you can be so sweet,
Dsus4 **Em7** **G**
But you can be such a stubborn girl when you wanna be.

Cadd9 G **Dsus4**
Loui--sa, won't you think it over?
Cadd9 **Dsus4 Cadd9**
Won't you think it down--n?
Cadd9 G **Dsus4**
Loui--sa, if you won't think it over,
Cadd9 **Dsus4** **Cadd9**
will you look me up when you come around?

Cadd9 **G**
Don't you know you're my best friend,
Dsus4 **Em7** **G**
And I've been having such a hard time making new ones.
