Piece of You - The Pierces

kaja.rose@gmail.com

I am updating this because I feel the capo 5 (or uke) version is much easier.

I m gonna close my eyes to change my vision
I m gonna have another drink so I can make a bad decision
And I want a piece of you tonight
I m gonna change my name so no one can find me
I m gonna lose my mind so no one can remind me
That I want a piece of you tonight
Yeah I want a piece of you tonight

What do you do when you know that it s wrong
When you try to hold up but you can t hold it for long
When you ve got, you got, you got that bad desire
It comes creeping in just like a disease
Can you come here, can you do what we please
Cause you know I want a piece of you tonight

I m gonna take my time so I can really feel it
And we can hide inside the darkness that conceals it
Cause I want a piece of you tonight
Yeah I want a piece of you tonight

What do you do when you want it so much

You would do anything just to get that rush

Am F C E

When you ve got, you got, you got that bad desire

Am F

It comes rollin in, pulls you down like the ocean

C E

We could get lost inside a single motion

Am F C E

And you know I want a piece of you tonight

Dm Am E

I m gonna hold you close to take away the sorrow

Dm Am E

Cos we both know I m leaving here tomorrow
