

**Secret**  
**The Pierces**

[Chorus]

**Am**  
Got a secret  
**G**  
Can you keep it?  
**F** **E**  
Swear this one you ll save  
**Am** **G**  
Better lock it, in your pocket  
**Dm** **Am**  
Taking this one to the grave  
**Am** **G**  
If I show you then I know you  
**F** **E**  
Won t tell what I said  
**Am** **G**  
Cause two can keep a secret  
**Dm** **Am**  
If one of them is deadâ€¦

[Verse]

**Am** **G**  
Why do you smile  
**F** **E**  
Like you have told a secret  
**Am** **G**  
Now you re telling lies  
**F** **E**  
Cause you re the one to keep it  
**F** **E**  
But no one keeps a secret  
**F** **E**  
No one keeps a secret  
**Am** **G** **F**  
Why when we do our darkest deeds  
**E**  
Do we tell?  
**Am** **G**  
They burn in our brains  
**F** **E**  
Become a living hell  
**F** **E**  
Cause everybody tells  
**F** **E**

Everybody tellsâ€¦
