

**Sticks And Stones**  
**The Pierces**

Capo 7th fret

(\*): lift your index finger for a very short time. Watch this video to see what I

mean: <http://www.youtube.com/watch?v=uw3aoQAacsY>

Intro: **Am**(\*)

Verse:

**Am**(\*)

Hey, domino, I am stopping you from falling

**F**                      **E**                      **Am**(\*)

One, two, three don t you dare go down

**Am**(\*)

Hey, waterfall, oh, can you hear me calling?

**F**                      **E**                      **Am**(\*)

Three, two, one don t you dare touch the ground

**Dm**

I m the one you want (x2)

**E**

I m the one you want (x2)

Chorus:

**Am**                                      **G**

Sticks and stones will break your bones

**F**                                      **E**

And leave you lying in the mud

**Am**                                      **G**

But you get scared when we re alone

**D**                                      **E**

Like I might suck your blood

**Am**                                      **G**

And I could tell you a witch s spell

**F**                                      **E**

But it just might blow your top

**Am**

**G**

And you start to run just as I m having fun

**D**

**E**

And it s awfully hard to stop

**D**

**E**

It s awfully hard to stop

**Am**

verse:

Sun in the sky I am stopping you from burning

All we need is stars and moon

Clock on the wall I will keep your hands from turning

Or this night will end too soon

I m the one you want (x4)

chorus:

**Am**

**G**

Sticks and stones will break your bones

**F**

**E**

And leave you lying in the mud

**Am**

**G**

But you get scared when we re alone

**D**

**E**

Like I might suck your blood

**Am**

**G**

And I could tell you a witch s spell

**F**

**E**

But it just might blow your top

**Am**

**G**

And you start to run just as I m having fun

**D**

**E**

And it s awfully hard to stop

**D**

**E**

It s awfully hard to stop

**D**

**E**

It s just to hard to stooooooooop

**Am**(\*)

Bridge:

**Dm**(\*)

I call thee, beloved one

To love me more than anyone

**Am**(\*)

Seven times I pierce my heart  
And now you feel the magic start

**E**(\*)

Bind thy heart and soul to me  
As I do will  
So let it be, oh

verse:

Hey, loverboy, oh, now do you believe me?  
That s not all that I can do  
Sit back down, I m afraid we won t be leaving  
Can t undo my spell on you  
I m the one you want (x8)

chorus
