LOST - The Pigeon Detectives

Tabbed by: Marvin Gallo (EXiGE93)
Email: EXiGE93@web.de

Tuning: Standard

I m a big fan of TPD but apparently there are no tabs for the new album yet so I thought I might give it a shot and try to discern the chords as good as possible.

This is my first real tab so feel free to leave a comment or corrections.

NOTE: I am German and I couldn t find any lyrics so I had to use my ears and brain

to get those lyrics. I m pretty sure they re wrong at some points but who gives a shit :P

I know there is a 2nd guitar which often plays singe notes and stuff like that,
but I m to lazy to tab that now because it s pretty easy. Just try it.
Peace.
