[Capo 1st]

{Intro: **Am** (slide starts)**F C G Am**} X2

[**F**]Late at night, watching the [**Am**]satellites
[**F**]North Carolina and the rolling [**Am**]hills
[**G**] Ahhh [**Am**]

[**F**]Orion, draws back the [**Am**]arrow
[**F**]Aiming at the heart of a [**Am**]scarecrow
[**G**] Ahhh [**Am**]

[**C**]Cloud to cloud, hour to hour
[**Am**]Dust to dust, flower to flower
[**F**]I close my eyes, so I might [**Am**]dream
[**G**]Won t you meet me,
When the Sun stands [**Am**]still?
And [**G**] I will, be there in [**Am**]bells
(slide: **F C G Am** x2)

I thought I was in love once, I don t know
I was over dressed and scared to be alone
Aaaaaalone

The pain is there, for to protect
If it didn t hurt then we d all bleed to death
Ahhh

Black to black, reel to reel,
Heart to heart, shield to shield
I close my eyes, so I might dream
Won t you meet me,
When the Sun stands still?
And I will, be there in bells

The Great Spirit rose over ol St. Paul
You are forever forgiven and all

I fell asleep and woke up in the sky
There was a light so bright, I could see through my skin
All the sorrow and the cold north wind
I had to go through
I had to find you

Dollar to dollar, broke to broke,

Ash to ash, smoke to smoke
I close my eyes, so I might dream
Won't you meet me,
When the Sun stands still?
And I will, be there in bells
I will be there in bells
