

Save It
The Planet Smashers

The Planet Smashers - Save It

intro

G-A-Bm-D

G-A-Bm

D G A Bm

How can I feel the way I do

D G A Bm

Each time I get this close to you

D G A Bm

The part of me that won't let go

D G A

Making me keep my self control

G A

Save it for the right time when we'll start again

D Bm

Tomorrow's just around the bend

G A

Softly crawl into my shell

D G A

And wait it out till everything is well

G-A-Bm-D

G-A-Bm

D G A Bm

What makes me act the way I do

D G A Bm

The earth the stars the sky the moon,

D G A Bm

Nice memories silver and gold,

D G A

What makes good time so hard to hold

G A

Save it for the right time when we'll start again

D Bm

There's no reason to pretend

G A

Wandering around the world trying to find myself

D G A

You can never walk away from where you are

Bm **A**
But right here at home
Bm **D**
Next to you so all alone
G **A** **Bm** **D**
Is no know one that you ve ever known
G **A** **D** **Bm** **A**
Silently, Sorry

G **A**
Why save it for the right time When let s just pretend
 D **Bm**
We can t never have this day again
G **A**
Love is waiting on the shelf
 D **Bm**
While I m too scared to be a friend
G **A**
Wandering around the world trying to find myself
 D **G** **A**
I turn around one day and there you are...
 G **A**
Don t save it cause the right time is the one we re in
 D **Bm**
So no more waiting to begin
G **A**
Open my heart and let it sing
 D **Bm**
Each grain of sand is everything
 G **A**
The truth is never quite so far
 D **G** **A**
We can never walk away from who we are...

D
