

Harbor Lights  
The Platters

C                    G7 I saw the harbor lights;                    Cdim - C They  
only told me we were part - ing,                    C/B                    Dm                    G7 The same old harbor  
lights                    Gdim                    Dm7 G7 C That once brought you to me.                    C  
G7 I watched the harbor lights;                    Cdim - C How  
could I help if tears were start - ing?                    C/B                    Dm                    G7 Good-bye to  
tender nights                    Gdim                    Dm7 G7                    C                    Fdim                    C Beside the sil-ver sea.  
Bridge:                    F I longed to hold you tight                    Fm                    Fdim                    C  
C/B                    Am7 And kiss you just once more;                    Am7/G                    D7 But you were on the  
ship,                    Dm7                    D7                    G7 And I was on the shore.                    C                    G7 Now I  
know lonely nights,                    Cdim - C For all the while  
my heart is whis - pring,                    C/B                    Dm                    G7 Some other harbor lights  
Gdim                    Dm7                    G7 C Will steal your love from me.
