[Verse 1]

**G** **B7**  
Heavenly shades of night are falling, it s Twilight Time  
**Em7** **G7**  
Out of the mist your voice is calling, it s Twilight Time  
**C** **Cm**  
When purple colored curtains  
**G** **E9**  
mark the end of day  
**A9** **D11** **D9**  
I hear you, my dear at Twilight time  
**G** **B7**  
Deeping shadows gather splendor as day is done  
**Em7**  
fingers of night will soon surrender  
**G7**  
the setting sun  
**C** **Cm**  
I count the moments darling  
**G** **E9**  
till you re here with me  
**A9** **D7** **G**  
together at last at twilight time

[Chorus]

**B7**

Here  
in the after glow of day

**Em7**

we keep our rendezvous

**D#dim Em**

be-----neath

**D#dim Em**

the blue

**A9**

Here in the sweet and same old way

**D9 C9**

I fall in love again as

**D7 Eb7 D7**

I did then

[Verse 2]

**G**

Deep in the dark your kiss will thrill me

**B7**

like days of old

**Em7**

lighting the spark of love that fills me

**G7**

with dreams untold

**C Cm**

Each day I pray for evening

**G E9**

just to be with you

**A9 D7 G**

together at last at Twilight Time
