[Verse 1]

|   |           |           |            |  |
|---|-----------|-----------|------------|--|
| <b>Bbm</b>  | <b>Db</b> | <b>Gb</b> | <b>Ab</b>  |  |
| There was a time when I brought light to your eyes  |           |           |            |  |
| <b>Bbm</b>  | <b>Ab</b> | <b>Gb</b> | <b>Bbm</b> |  |
| Even the worst of days could not keep us apart      |           |           |            |  |
| <b>Db</b>   | <b>Gb</b> | <b>Ab</b> |            |  |
| And you weren t afraid to spill those evil thoughts |           |           |            |  |
| <b>Bbm</b>  | <b>Ab</b> | <b>Gb</b> | <b>Bbm</b> |  |
| Even the ones that made you question who you are    |           |           |            |  |

[Chorus]

|   |           |            |            |            |
|---|-----------|------------|------------|------------|
| <b>Bbm</b>  | <b>Db</b> | <b>Gb</b>  | <b>Ab</b>  | <b>Bbm</b> |
| You feel it, eyes racing, my feet were buried in the ground |           |            |            |            |
| <b>Ab</b>   | <b>Gb</b> | <b>Bbm</b> |            |            |
| My chains break and I can t take the sounds                 |           |            |            |            |
| <b>Db</b>   | <b>Gb</b> | <b>Ab</b>  | <b>Bbm</b> |            |
| I don t feel like I still have anything to hold me here     |           |            |            |            |
| <b>Ab</b>   | <b>Gb</b> | <b>Bbm</b> |            |            |
| My steps fade and she can t take the sound                  |           |            |            |            |

[Verse 2]

|                                       |            |            |
|---------------------------------------|------------|------------|
| <b>Bbm</b>                            | <b>Db</b>  | <b>Gb</b>  |
| The good days fade, the bad ones take |            |            |
| <b>Ab</b>                             | <b>Bbm</b> |            |
| And break the spirits we once shared  |            |            |
| <b>Ab</b>                             | <b>Gb</b>  | <b>Bbm</b> |
| Every touch feels empty now           |            |            |
| <b>Db</b>                             | <b>Gb</b>  |            |
| You took my words and they cut deep   |            |            |
| <b>Ab</b>                             | <b>Bbm</b> |            |
| And keep replaying in your head       |            |            |
| <b>Ab</b>                             | <b>Gb</b>  | <b>Bbm</b> |
| I m moving mountains as you drown     |            |            |
