

The Sound  
The Plot In You

Guitar 1

Guitar 2

|                               |                                     |
|-------------------------------|-------------------------------------|
| <b>Bbm Db Gb Ab Bbm Ab Gb</b> |                                     |
| E -----                       | E -----                             |
| B -2---6-----                 | B -----14-----13---11\9-----        |
| G -----2-----                 | G -----13-----13-----10---10\8----- |
| D -----3---5-----5---4-----   | D -11-----11-----11-----            |
| A -1---4-----1-----           | A -----                             |
| E -----2---4-----4---2-----   | E -----                             |

[Verse 1]

|   |
|---|
| <b>Bbm Db Gb Ab</b>                                 |
| There was a time when I brought light to your eyes  |
| <b>Bbm Ab Gb Bbm</b>                                |
| Even the worst of days could not keep us apart      |
| <b>Db Gb Ab</b>                                     |
| And you weren t afraid to spill those evil thoughts |
| <b>Bbm Ab Gb Bbm</b>                                |
| Even the ones that made you question who you are    |

[Chorus]

|   |
|---|
| <b>Bbm Db Gb Ab Bbm</b>                                     |
| You feel it, eyes racing, my feet were buried in the ground |
| <b>Ab Gb Bbm</b>  |
| My chains break and I can t take the sounds                 |
| <b>Db Gb Ab Bbm</b>   |
| I don t feel like I still have anything to hold me here     |
| <b>Ab Gb Bbm</b>  |
| My steps fade and she can t take the sound                  |

[Verse 2]

|                                       |
|---------------------------------------|
| <b>Bbm Db Gb</b>                      |
| The good days fade, the bad ones take |
| <b>Ab Bbm</b>                         |
| And break the spirits we once shared  |
| <b>Ab Gb Bbm</b>                      |
| Every touch feels empty now           |
| <b>Db Gb</b>                          |
| You took my words and they cut deep   |
| <b>Ab Bbm</b>                         |
| And keep replaying in your head       |
| <b>Ab Gb Bbm</b>                      |
| I m moving mountains as you drown     |

[Chorus]

**Bbm**                    **Db**                    **Gb**                    **Ab**                    **Bbm**  
You feel it, eyes racing, my feet were buried in the ground  
                                 **Ab**                    **Gb**                    **Bbm**  
My chains break and I can t take the sounds  
                                 **Db**                    **Gb**                    **Ab**                    **Bbm**  
I don t feel like I still have anything to hold me here  
                                 **Ab**                    **Gb**                    **Bbm**  
My steps fade and she can t take the sound

[Bridge]

**Bbm Db Gb Ab Bbm Ab Gb Bbm**  
Ooooh (2x)

[Chorus]

**Bbm**                    **Db**                    **Gb**                    **Ab**                    **Bbm**  
You feel it, eyes racing, my feet were buried in the ground  
                                 **Ab**                    **Gb**                    **Bbm**  
My chains break and I can t take the sounds  
                                 **Db**                    **Gb**                    **Ab**                    **Bbm**  
I don t feel like I still have anything to hold me here  
                                 **Ab**                    **Gb**                    **Bbm**  
My steps fade and she can t take the sound

[Bridge]

**Bbm Db Gb Ab Bbm Ab Gb Bbm**  
Ooooh (2x)
