

The Auld Triangle
The Pogues

G
A hungry feeling
Bm
Came o'er me stealing
C **G**
And the mice were squeeling
A **C**
In my prison cell
G **Bm**
And that auld triangle went jingle-jangle
C **G** **D** **G**
All along the banks of the Royal Canal

G
Oh! To start the morning
Bm
The warden bawling
C **G** **A** **C**
Get up out of bed, you! And Clean out your cell!
G **Bm**
And that auld triangle went jingle-jangle
C **G** **D** **G**
All along the banks of the Royal Canal

G
Oh! the screw was peeping
Bm
And the loike was sleeping
C **G**
As he lay weeping
A **C**
For his girl Sal
G **Bm**
And that auld triangle went jingle-jangle
C **G** **D** **G**
All along the banks of the Royal Canal

G
On a fine Spring evening
Bm
The loike lay dreaming
C **G**
And the sea-gulls were wheeling
A **C**
High above the wall
G **Bm**
And that auld triangle went jingle-jangle
