=====

The following represents my personal collection of
For the most part sting used a pick on a fender
jazz bass, occasionally there was a slight slap-back
echo delay applied to his lines. The lines a simple
however they are not nessaraly easy maske sure to
listen to the recod carefullly to obtain sting's
reggae and jazz syncopation was the bass drum.
I have been playing bass for about three weeks,
so any contructive critisizm or insight in to sting's
style would be greatlly apreaciated.

however I have yet to see it. I also don't have the money
to spend on a potentianlly incorrect tab book.

bass. Each time I transcribe more songs I will post them
in this newsgroup and in nevada.
