She was a person I just couldn't see  
And I tried to make her what she couldn't be  
We tried and we tried, but of course in the end  
I drove her crazy and right round the bend

*PREChorus 2*

Now it's too much to just sit here and cry  
I can't be seen with a tear in my eye  
Why am I standing right next to the phone  
When I kept on saying I must be alone?

I love you, why didn t I say that before?  
I guess that it s safe now she s walked through the door  
It s hard when you know that you ve got to go on  
Feeling so weak and pretending you re strong

*PREChorus 3*

I didn t see her, I only felt me  
One day I ll learn just which part of me bleeds  
Now that she s gone I know she was great  
But I fucked it up and now it s too late
