d -0-0-0-----|
a -----|
e -----|
```

D A G x2

```

D    A    G          D    A    G
Feels like I ve lost my grip on life
          D    A    G          D    A    G
Caught in a landslide, nothing is real
D    A    G          D    A    G
You say I m not what my clothes say
          D    A    G          D    A    G
I know it anyway, you don t have to tell me
```

Chorus

```

          F#m          G
Why can t you just hold me
          D          F#m
I m feeling empty
F#m          G          D          A
I m gonna need some reassurance
F#m          G          D          F#m
Break things to me gently
F#m          G
Catch me, please
          D          A
I think I m falling down
```

D A G x2

```

D    A    G          D    A    G
First wage, as distant as old age
          D    A    G          D    A    G
Turning a new page is so hard to do
```

D A G D A G

Your smile, soft as a lullaby

 D A G D A G

Whispering goodbye, lulling me through

Chorus

D A G x2

D A Gx4

with lots of La La las

the last time, I think I m falling down

repeat

D A G x4

end on D
