(essa parte entra na 3ª vez, no final)

(parte 1)

F Am
I am thinking it s a sign that the freckles
Gm A#
In our eyes are mirror images and when
Am
We kiss they re perfectly aligned
F Am
And I have to speculate that God himself
Gm A#
Did make us into corresponding shapes like
Am
Puzzle pieces from the clay
F Am
True, it may seem like a stretch, but
Gm
Its thoughts like this that catch my troubled
A# Am
Head when you re away when I am missing you to death
F Am
When you are out there on the road for
Gm
Several weeks of shows and when you scan

A# Am
The radio, I hope this song will guide you home

(refrão)

F C
They won't see us waving from such great
A# Am
Heights, come down now, they'll say
F C
But everything looks perfect from far away,
A# Am
come down now, but we'll stay...

(parte 2)

F Am
I tried my best to leave this all on your
Gm A#
Machine but the persistent beat it sounded
Am
Thin upon listening
F Am
That frankly will not fly. you will hear
Gm
The shrillest highs and lowest lows with
A# Am
The windows down when this is guiding you home

(refrão)

(solo 4x)
