F# Bbm
I am thinking it s a sign that the freckles
G#m B
In our eyes are mirror images and when
Bbm
We kiss they re perfectly aligned
F# Bbm
And I have to speculate that God himself
G#m B
Did make us into corresponding shapes like
Bbm
Puzzle pieces from the clay
F# Bbm
True, it may seem like a stretch, but
G#m
Its thoughts like this that catch my troubled
B Bbm
Head when you re away when I am missing you to death
F# Bbm
When you are out there on the road for
G#m
Several weeks of shows and when you scan

B Bbm
The radio, I hope this song will guide you home

(refrão)

F# C#
They won't see us waving from such great
B Bbm
Heights, come down now, they'll say
F# C#
But everything looks perfect from far away,
B Bbm
come down now, but we'll stay...

(parte 2)

F# Bbm
I tried my best to leave this all on your
G#m B
Machine but the persistent beat it sounded
Bbm
Thin upon listening
F# Bbm
That frankly will not fly. you will hear
G#m
The shrillest highs and lowest lows with
B Bbm
The windows down when this is guiding you home

(refrão)

(solo 4x)
